To All Competitors and Guests,

I would like to welcome you to the 42nd Annual NPC Southern States Championships. Let me first start off by saying thank you to Mr. Peter Potter, a man who has given over 40 years to our sport, & 24 years ago gave me the opportunity to give back and try to follow in his most prestigious footsteps.

I would also like to show my appreciation to all of our sponsors here this evening. Please visit their booths, buy their quality products and join me in showing gratitude for giving back to our sport.

We have a prestigious panel of IFBB PRO LEAGUE & OLYMPIA judges here to give our athletes the due respect that they deserve. Head Judge Tim Gardner, Dr. Peter John Rhoden, John Hnatyschak, Deke Warner, and Serge Saric; THANK YOU for your continued support.

We have 2017 & 2018 Southern States Champion and now IFBB PRO LEAGUE 212 Bodybuilding Pro Enmanuel Rodriguez taking the stage tonight. Enmanuel is a Cuban born American who is knocking on the door of a Pro Title. He has a bright future in the sport. We also have our 2021 Bodybuilding Open Overall Champion Jahmar Amani continuing the tradition of guest posing and passing the torch to our new Champion. Many additional pros will be at the various sponsor booths so take the opportunity to meet them and take pictures.

One of the things we are most proud of is that hundreds of our NPC Southern States competitors have gone on to become IFBB Pro League Pros. Tonight, you will see several athletes who may well follow in their footsteps.

All of our athletes have sacrificed for weeks to prepare for this show, so please show your support to them this evening. Each and every competitor is an inspiration in their own way.

Be sure to cheer as loud as you can for everyone, even though your favorite may not win, know that everyone who steps out on the stage is a winner.

Of course, I could not do what I do, or put on this show without the support of my husband, Alan and my sons Joey & Matty as well as all of my family and friends that came out to volunteer their time to make this show the best. Your hard work is greatly appreciated.

COMPETITORS REMEMBER! All the hard work is done, go out and have some fun!!!

All the Best,

GENE MASSEY MEMORIAL AWARD

The Gene Massey Memorial Award was originated at the first NPC Southern States to honor the memory of Eugene "Gene" Massey. Gene was one of Florida's top and most influential bodybuilder. In his 10 years of competition, he won over 40 top titles including the Florida State ('69), the Mr. Southern States ('72), the Eastern America ('75) and was runner-up at the Mr. World ('70). Gene was unfortunately killed in a private aircraft accident in 1975 while on the way to compete in Louisiana.

In addition to being Florida's #1 bodybuilder and being ranked top 10 in the country, Gene ran the first hardcore gym in Hollywood, FL as well as a popular health food store. He promoted contests and was involved in the governing association of the sport. Gene inspired hundreds to become involved in the sport and helped anyone who was interested.

The Gene Massey Memorial Award was created to honor this giant figure and pay tribute to his many accomplishments. The award is presented each year at the NPC Southern States to the person who best personifies Gene's contributions to our sport.

Find out more about Gene and our past winners on the **GENE MASSEY AWARD** page on our website.

An early winner of the Most Promising Teen Award was David Bailey of Miami. He was the overall Teen Southern States winner in 1984 and then won the Gold Coast title as an open competitor. There was no question that he was destined for many more victories. Unfortunately, on his way home from work on October 13, 1989, he was killed in an automobile accident. He was just 23 years old at the time.

Bodybuilding was a big part of David's life and he will always be remembered for his outgoing personality, need to help others and passionate dedication to training.

The "Most Promising Teen" award was renamed in 1990 to the David Bailey Memorial Award in David's honor.
